

Fluorescent Lighting

- Rebates are for replacement or retrofit equipment only.
- Only complete (lamp + ballast), hard-wired or permanently mounted, UL-listed systems qualify.
- T8 and HPT8 ballasts must be < .78 ballast factor.
- Exterior installations do not qualify.

Measure	Rebate	Measure	Rebate
Replacing T12 only	per fixture	Replacing T12 only	per fixture
T8 - 8 foot 1 lamp	\$5.00	T8 - 3 foot 1 lamp	\$2.00
T8 - 8 foot 2 lamp	\$7.00	T8 - 3 foot 2 lamp	\$3.00
T8 - 4 foot 1 lamp	\$1.50	T8 - 3 foot 3 lamp	\$5.00
T8 - 4 foot 2 lamp	\$2.50	T8 - 3 foot 4 lamp	\$8.00
T8 - 4 foot 3 lamp	\$4.00	T8 - 2 foot 1 lamp	\$2.00
T8 - 4 foot 4 lamp	\$5.00	T8 - 2 foot 2 lamp	\$3.00
		T8 - 2 foot 3 lamp	\$4.00
		T8 - 2 foot 4 lamp	\$5.00

Measure	Rebate per fixture	
	Replacing T12	Replacing T8
System must contain CEE certified ballast		
HPT8 - 4 foot 1 lamp	\$6.00	\$4.00
HPT8 - 4 foot 2 lamp	\$8.00	\$6.00
HPT8 - 4 foot 3 lamp	\$12.00	\$10.00
HPT8 - 4 foot 4 lamp	\$16.00	\$12.00

System must contain CEE certified ballast and lamps of 28W or less

	Replacing T12	Replacing T8
Low Watt T8 - 4 foot 1 lamp	\$6.50	\$4.50
Low Watt T8 - 4 foot 2 lamp	\$9.00	\$7.00
Low Watt T8 - 4 foot 3 lamp	\$13.50	\$11.50
Low Watt T8 - 4 foot 4 lamp	\$18.00	\$14.00

De-lamping requires removal of T12 lamps and ballasts and unused lampholders without replacing the lamps. Units removed cannot exceed number of replacement lamps installed.

De-lamping T12 - 2 foot lamp	\$4.00/lamp
De-lamping T12 - 3 foot lamp	\$5.00/lamp
De-lamping T12 - 4 foot lamp	\$6.00/lamp
De-lamping T12 - 8 foot lamp	\$9.00/lamp

Fluorescent Lighting

Measure

Rebate

Replacing HID systems only

per fixture

T8 - High-Bay 4 foot 3 lamp	\$20.00
T8 - High-Bay 4 foot 4 lamp	\$25.00
T8 - High-Bay 4 foot 6 lamp	\$35.00
T8 - High-Bay 4 foot 8 lamp	\$40.00
T8 HO - 8 foot 1 lamp	\$10.00
T8 HO - 8 foot 2 lamp	\$14.00

Replacing T12 only

per fixture

T5 - 1 lamp	\$5.00
T5 - 2 lamp	\$8.00
T5 - 3 lamp	\$10.00
T5 - 4 lamp	\$12.00

Must use high-temp ballasts

per fixture

T5 HO - 1 lamp	\$6.00
T5 HO - 2 lamp	\$9.00
T5 HO - 3 lamp	\$11.00
T5 HO - 4 lamp	\$13.00

Replacing HID systems only

per fixture

T5 HO - High-Bay 2 lamp	\$30.00
T5 HO - High-Bay 3 lamp	\$40.00
T5 HO - High-Bay 4 lamp	\$50.00
T5 HO - High-Bay 6 lamp	\$60.00
T5 HO - High-Bay 8 lamp	\$75.00

Replacing incandescent fixtures/bulbs

CFLs must be Energy Star rated

CFL Pin-Based Fixture	\$20.00
CFL Screw In Bulb up to 32 Watts	\$2.00/bulb
CFL Screw In Bulb > 32 Watts	\$5.00/bulb

High Intensity Discharge (HID) Lighting

- Must use an electronic ballast and pulse-start metal halide (PSMH) or ceramic metal halide (CMH) lamp.
- Screw-in retrofit lamps and exterior fixtures are not applicable.

Measure

Rebate per fixture

Pulse-Start or Ceramic Metal-Halide 0-100 watts	\$35.00
Pulse-Start or Ceramic Metal-Halide 100-250 watts	\$40.00
Pulse-Start or Ceramic Metal-Halide > 250 watts	\$50.00
Metal-Halide Track Lighting	\$75.00

Sensors and Controls

- All sensors must control a minimum of 125 watts.
- The control system must turn off at least half of the lamps in the fixture, or provide for continuous or step (bi-level) dimming.
- Rebates apply to only one lighting control per space being controlled.
- Maximum rebate of \$2,500 for each type of lighting control.
- Occupancy sensors must be passive infrared (PIR) and/or ultrasonic.
- Sensors must use programmable rapid start ballasts.

Measure

Rebate

Ceiling-Mounted Occupancy Sensor	\$30.00/sensor
Wall- or Fixture-Mounted Occupancy Sensor	\$15.00/sensor
Remote-Mounted Daylight Dimming Sensor	\$60.00/sensor
Fixture-Mounted Daylight Dimming Sensor	\$30.00/sensor
Dimmable Ballast for Use with Daylight Sensors	\$40.00/ballast
Central Lighting Control	\$0.04/connected watt
Switching Controls for Multilevel Lighting	\$0.04/connected watt

Other Measures

Measure

Rebate per sign

LED Traffic Signal – Red	\$25.00
LED Traffic Signal – Green	\$50.00
LED Pedestrian Don't Walk Sign	\$25.00
LED Exit Signs	\$5.00

For More Information

For more information and an up-to-date list of eligible products and rebate amounts, visit dpandl.com/bizrebates or contact us at EnergyEfficiency@dplinc.com.

Eligible products and rebate values are subject to change and apply only to new equipment that replaces existing equipment or is part of a retrofit project. All DP&L energy programs are subject to Public Utilities Commission of Ohio rules and regulations.
